Dear Parent/Carer

Nursery News

Our children have been taking advantage of our cold weather to learn all about snow, ice and animals that live in the snowy places. We also celebrated Robbie Burns day and Chinese New Year with food, dancing and music.

Our next topic will be the World of Work, where we will be exploring different jobs through books, role play and visitors to the nursery. We would love parents to come to our nursery and tell us about their jobs – please talk to any of the Nursery staff if you would be willing to participate.

Our main outcomes for this topic are:
I can describe some of the kinds of work that people do and I am finding out about the wider world of work (HWB 0-20a). By exploring my local community, I have discovered the different roles people play and how they can help. (SOC 0-16a)

Rhyme of the Month
Our rhymes this month will be Five Currant Buns, Pat-A-Cake Pat-A-Cake, and Miss Polly had a Dolly.

Story of the Month
Our story for this month will be The Lighthouse Keeper’s Lunch.

Sound of the Week
Our sounds this month will be Ff (4/02), Bb (17/02) and Jj (25/02). Please encourage your child to bring in objects from around home that begin with our sounds for ‘Show and Tell.’

Parents Committee
The next meeting will be at 9.00am on Thursday 21st February, 2019.

Lunch
If your child does not eat any of their school lunch the staff will let you know when you pick them up. If you have some concerns about your child’s appetite and would like to know what they ate at lunch-time, please ask one of the staff and they can let you know. If your child has a packed lunch, all uneaten food is put back into their lunch box.

Clothes and Toys
Please remember it can be very warm in the Nursery so it is a good idea to remove jumpers etc. before they come in. We would also like to remind parents that toys are best left at home or put into their nursery bags for home time. We continue to have very few clothes for changing children. Please provide a change of clothes that can be left on your child’s peg in nursery until needed.

Fabric Collection
We would like to build up our material and haberdashery supplies for making collages, puppets and costumes and for sewing practice. If you have any items such as fabric scraps, ribbons, buttons or balls of wool that you no longer need, they would be greatly appreciated in the nursery.
