Nursery home learning activities

A big hello to our parents and children from all the staff at Greenhills Primary School Nursery Class!

We hope that you are all safe and well and have been finding lots of things to keep you busy at home over the last few weeks - we have really missed seeing you all.

We will be posting a set of activities based on a well-known story each week for you to try with your children - there is no obligation to do them, you can do none, one or all of them!

If you enjoy doing any of the activities we would love to hear your comments and see photos, you can email them to gw18mcnultyarbory@glow.sch.uk

This week our activities are based on the story of *The Hungry Caterpillar*. You can find the story and animated film on YouTube.

(story book) https://video.search.yahoo.com/search/video:__ylt=A0geKee6KMVeIXUANE1XNyoA:__ylu=X3oDMTE0YTVyZDI2BGNvbG8DYmYxYxBHvcwMxBHZ0aWQDQjk5MTRfMQRzZWMDcGl2cw--?p=the+hungry+caterpillar&fr2=piv-web&fr=mcafee#id=18&vid=2e8de982821f57162f6eaae21d531b9c&action=view

(animated film) https://video.search.yahoo.com/search/video:__ylt=A0geKee6KMVeIXUANE1XNyoA:__ylu=X3oDMTE0YTVyZDI2BGNvbG8DYmYxYxBHvcwMxBHZ0aWQDQjk5MTRfMQRzZWMDcGl2cw--?p=the+hungry+caterpillar&fr2=piv-web&fr=mcafee#action=view&id=1&vid=7ca26734349aaac20221365f426e829b

There is also an app that has several games you can play:

**Literacy**

Can you form the letter ‘C’ correctly to create your very own caterpillar? You can be creative and use a variety of materials you have at home. You can develop your writing skills by using pens, pencils and crayons. Why not try and form different letters for example A-apple, P-pear, S-strawberries. Miss McGarry and Mrs Duff are both excited to see your creative letters.

**Maths & Numeracy**

Why not try and create your own caterpillar by using 2 or 3 colours (maybe more if you can) to design and follow a simple or more complex pattern. You can use a variety of drawing materials Riley and Miss Grassom used coloured pens. Maybe you have some other resources you could use like bottle tops or coloured paper circles or maybe Pom Poms. Don’t forget to upload a picture so we can see your fantastic patterned caterpillars!
HWB
Have a treasure hunt to find some of the different things that the caterpillar enjoyed eating in the story. How many things can you find in your house or the garden? A juicy green leaf, apples, pears, plums, oranges, strawberries, cake, lollipop and watermelon are just some of the things you could find.
You could, with an adult, make a juicy fruit salad to enjoy with your family.

Creative Play
It's sunny outside so why not create your own arty caterpillar or butterfly using pretty flowers and leaves from your garden or collect them when you're out for a walk. Miss Maley and Bella-Notte have been busy this morning creating our own masterpieces to show you all.
I would love to see how creative you can be with your families. Remember your sun hats and sun cream and stay safe 🦋🦋 ×
Outdoor Learning

Can you find any caterpillars or butterflies when you go out for your walk or in your own garden! What colour are they? Do you think you could hold a caterpillar, perhaps your family could help you I wonder who will find the most butterflies? Could you please take a picture for Miss Gallagher and Mrs Cruickshank, be quick remember butterflies can move fast! I have included a list of the most popular Butterflies found in Scotland.
