| Inter Disciplinary learning | • Our new topic will be dinosaurs. List any dinosaurs you know about already.  
|                           | • Write down what you would like to find out about dinosaurs.  
|                           | • What do you think happened to make the dinosaurs disappear? Write or draw what could have happened.  
|                           | • Ask an adult to name one dinosaur and describe it to you.  

Please return to school on the 1st day back
