Health and Wellbeing

- Practise getting dressed independently, tying shoe laces, zipping jackets.
- This is a good opportunity to complete some of our Proud Cloud targets.
- Help prepare a meal or snack.
- Help with the washing up after a meal
- Encourage your child to help around the house – tidying up, dusting
- Practice good handwashing techniques
- Encourage your child to make choices – what to do, which story, what to have for lunch
- Play board or card games that involve turn taking and following rules

Literacy

- Read lots of stories to your child, encourage them to join in, hold the book, turn the pages, talk about the pictures and characters and retell the story.
- Learn and sing nursery rhymes, miss out words/phrases - can your child fill them in
- Develop fine motor skills and pencil control. Encourage your child to mark make and draw. Perhaps your child could draw a picture for our Art Gallery.
- Play I spy – identify sounds at the beginning of words
- Play ‘Find your name’ – have family names hidden around the house, can your child find their own name then names of other family members?

Numeracy

- We plan to look at pattern in the nursery – your child could lay out objects in a repeated pattern e.g. fork, spoon, fork, spoon etc. and talk about the pattern.
- Count out loud and share out items such as food e.g. sausages between family members.
- Go on a number hunt within the house e.g. how many number 5s can we find?
- Play a game involving dice so children can recognise the pattern of the numbers on the dice.
- Go on shape hunt, or make a picture using different shapes
- Talk about the days of the week and times of the day

Inter Disciplinary learning

- Our next topic starting on 16th March is the Farm. We will be looking at farm animals and their babies, you could talk about, read stories about or draw pictures of farm animals and their young. You could look at the jobs the farmer has to do at different times of the year.
- Look for mini-beasts in the garden or signs of Spring.

Please return to school on the 1st day back

Health & wellbeing is of upmost importance. Please check the NHS website for any health related issues.
