

Access GLOW from Home

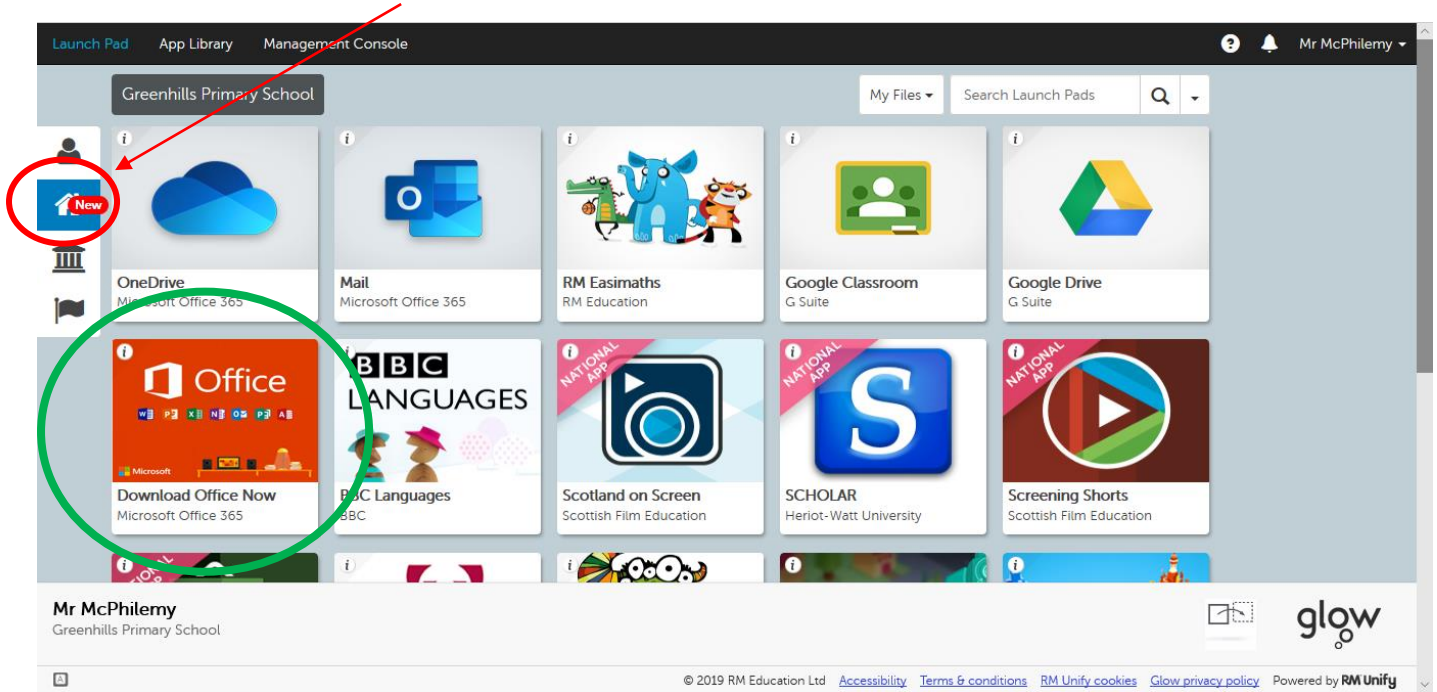

1. Search 'GLOW log in' using any search engine.
2. Select 'Glow – Sign In – RM Unify'.

A screenshot of a Google search results page for the query "GLOW log in". The search bar at the top shows the query. Below the search bar, the results are displayed. The first result is "Glow - Sign In - RM Unify" with a subtext: "- Need A Glow Login? Only Glow users are allowed to access this service. If you do not have a Glow username and password then you may be committing an ...". A red arrow points from the search bar to the search button, and another red arrow points from the search bar to the first search result. Below the first result, there are three snippets from Twitter: "NAC Mental Health a...", "St Matthew's Academy (@StMatthewsAc)", and "Hallglen Primary School (@HallglenPrimary)".

3. Type in Username and Password.

A screenshot of the GLOW Sign In page. The page has a purple header with the "glow" logo. The main content area is dark grey and contains a "Sign In" form. The form has two input fields: "Username or Email Address" and "Password". A red arrow points to the "Username or Email Address" field. Below the input fields, there is a checkbox labeled "Remember my username" and a blue "Sign in" button. Below the button, there are links for "Forgotten your password?" and "Need A Glow Login?". At the bottom of the form, there is a disclaimer: "Only Glow users are allowed to access this service. If you do not have a Glow username and password then you may be committing an offence by trying to gain access to this service." and a link "Find out more about Glow". To the right of the sign in form, there is a section titled "@GlowScot Tweets" showing three tweets from "Inverbrothock PS", "Education Scotland", and "Glow Scot". The footer of the page contains copyright information: "© 2019 RM Education Ltd" and links to "Terms & conditions", "RM Unify cookies", and "Glow privacy policy". It also states "Powered by RM Unify".

4. You should see a page that looks similar to the one below. Click on the 'School' button to access all school recommended apps.

5. From here, One Drive, e-mail, Google Classrooms and many other educational sites can be accessed.
6. The Microsoft Office 365 tile (circled Green) allows GLOW users to download and install Microsoft Office onto both desktop machines and mobile devices.
